

Client Accounting & Advisory Services

MANAGE YOUR BUSINESS EFFECTIVELY

Now more than ever, successful companies are leveraging Client Accounting & Advisory Services (CAAS) to grow their business. With our CAAS team on board, you'll have more flexibility, control, insight and peace of mind, so you can take your business where you want it to go.

CRR's Client Accounting & Advisory Services team will tailor a suite of services to your specific needs, streamlining your accounting processes and allowing you to focus on what you do best - running your business.

The services provided by our CAAS team vary on a case by case basis, and typically fall under four categories: Book-keeping Services, Accounting Department Support, Fractional Controller Services, and CFO-Level Support.

See the following page for examples of services we provide in each category.
